

## *Wichita: Our Vision . . .*

*A dynamic and progressive city;*

*A city that honors its heritage of positive community values and embraces its cultural diversity;*

*A whole and healthy city where the downtown is a center of business, commerce and family activities, and where neighbor will reach out to neighbor to clean up a vacant lot, rebuild an old house, and forge partnerships with businesses, schools, churches, other neighbors and the police to reclaim neighborhoods and rid them of crime;*

*A city that is environmentally aware and responsible;*

*A city where there is respect for one another and where everyone can feel they can make a difference in their city;*

*A city with attainable and affordable housing, safe streets, excellent schools and quality parks and green space, and meaningful jobs. An exceptional city of the 21st Century.*
